

Sådan skal logon ruden se ud:

The image shows a Windows-style dialog box titled "TK2 Login" with a yellow tooth icon. The main header area is blue and contains the text "TK2 Tandplejesystem Version 2.6.14.(26)". Below this, there are input fields for "Brugernavn:" (containing "bbs") and "Adgangskode:". To the right of these fields are buttons for "OK", "Annuller", and "Skjul detaljer" (which is highlighted with a blue dashed border). Below the password field is a red rectangular box containing the text "SQL Server Navn (f.eks.: TK2server eller IP-adresse: 192.1.4.5)" and an input field containing "sql-p-tk2". At the bottom, there is a checkbox labeled "SQL databasen har andet navn end TK2" which is currently unchecked, followed by an input field containing "TK2".

TK2 Login

TK2
Tandplejesystem
Version 2.6.14.(26)

Brugernavn: bbs OK

Adgangskode: Annuller

Skjul detaljer

SQL Server Navn (f.eks.: TK2server eller IP-adresse: 192.1.4.5)
sql-p-tk2

☐ SQL databasen har andet navn end TK2
TK2
